#IAMABLEJOBFAIR

Let's flood the feed with stories of strength, talent, and opportunity!

Welcome to the I AM ABLE® Disability Job Fair!

PRIDE Industries is thrilled to welcome you to this year's I AM ABLE Disability Job Fair, a celebration of talent, opportunity, and inclusion. Whether you're seeking your next career move, exploring new industries, or connecting with supportive resources, this guide is your companion for making the most of your experience.

This event brings together a diverse group of employers who are committed to building inclusive workplaces and recognizing the unique strengths of individuals with disabilities.

Inside this guide, you'll find:

- **An Employer Directory** – A complete list of participating companies and their table locations.
- **Available Jobs** – Open positions sorted by employer to help you target your search.
- **Breakout Sessions** – Learn about breakout sessions offered at the job fair by CalABLE and the Department of Rehabilitation.
- **Resource Highlights** – Learn about the services available to support your job search, including resume critiques and our Cyber Café, where you can express interest in specific jobs.

At PRIDE Industries, we believe that everyone deserves the opportunity to pursue meaningful employment. The I AM ABLE Disability Job Fair is about discovering possibilities, building connections, and taking steps toward a future where everyone belongs and thrives.

Let's get started!

STEP 1:

Meet with employers and collect job description sheets or I AM ABLE® Connect Cards.

STEP 2:

After you have collected information on ALL desired positions, bring them to the Cyber Café to submit your interest forms.

EVERYTHING TO KNOW ABOUT

Submitting Job Interest Forms

This year, we're excited to bring back our **Cyber Café**—a dedicated space where you can express interest in specific job opportunities. Look for the “Cyber Café” location on the map to find it easily.

As you visit each employer and explore available positions, you'll collect job description sheets or I AM ABLE® Connect Cards for the roles you're interested in. These will serve as your guide to track which employers you'd like to connect with.

Once you've collected information from all the companies you're interested in, head over to the Cyber Café. There, you'll find computers and support staff ready to help you complete and submit your interest forms quickly and confidently. Employers will review these forms and may follow up with you to begin their formal application process.

Please note: This is not a job application. It is an interest form that will be shared with each participating employer for their consideration. If selected, you may be asked to complete a formal job application specific to that company.

Breakout Sessions

I AM ABLE Disability Job Fair breakout sessions are designed to empower job seekers with disabilities by providing essential insights, resources, and guidance tailored to their unique career journeys.

How CalABLE Supports Workers with Disabilities

12:00 PM – 12:20 PM

Presented by: CalABLE

Join us for a brief overview of how the CalABLE program helps workers with disabilities to build financial security while maintaining essential benefits. This session will highlight program eligibility and key features, as well as practical ways that CalABLE can support long-term financial independence.

My Uncommon Experience with a Mental Health Condition at Work

12:30 PM – 12:50 PM

Presented by: Andy Imparato, CEO, Disability Rights, California

Disability leader and three-time CEO Andy Imparato shares lessons from 35+ years in advocacy, policy, and nonprofit leadership, reflecting on openly navigating bipolar disorder and offering insights for job seekers with disabilities.

Demystifying LEAP

1:00 PM – 1:20 PM

Presented by: Department of Rehabilitation

This session will break down LEAP exams vs. traditional exams and the job examination period (JEP), and provide valuable insights into what participants can expect throughout the hiring and onboarding process.

GET SET UP FOR SUCCESS

What Job Seekers Need to Know

The I AM ABLE Disability Job Fair is a career opportunity event designed by and for people with disabilities. To make the most of it, keep these tips in mind:

Research the Companies

Check the job fair website to see the companies that will be there. Research the ones that interest you. Take notes and write down questions you can ask employers at the event. Visit as many companies as you can, in order to give yourself the broadest range of options possible.

Craft a Strong Resume

Not only should your resume be brief and easy to read, it should also be geared toward the companies you know will be at the job fair. Follow proper resume formatting, ensure the resume is checked for grammar and punctuation, avoid photos or graphics, and bring multiple copies.

Consider Your Wardrobe

Making the effort to dress nicely shows you're serious about getting a job. And though some work environments allow for casual attire, it's best to dress conservatively at a job fair. Choose neutral colors, closed-toe shoes, low-key hairstyles and jewelry, and minimal makeup.

Practice Your Introduction

One question you're likely to be asked is: "Tell us a little about yourself." So be prepared with a one-minute answer that summarizes your relevant experience, skill set, and employment goals. And be prepared to say why you want to work at the company you're interviewing with.

Ask Relevant Questions

Remember your research. Use it to come up with specific questions ahead of time. Asking relevant questions about the company and the job you want lets employers know that you've come prepared, are genuinely interested in the position, and are willing to take initiative.

The Importance of Following Up

Always get a contact email or phone number from your interviewer, so you can politely follow up right away. Within 24 hours after the interview, send the interviewer a brief message of thanks, restating your interest in the position and your availability for further communication.

What to Expect at the I AM ABLE Disability Job Fair

More than 30 employers committed to inclusive hiring will be in attendance with open positions in facilities maintenance, business administration, and a range of other specialties. Accommodations have been designed in collaboration with people with disabilities and disability organizations to ensure a welcoming experience.

Accommodations

The I AM ABLE Disability Job Fair is designed to be fully accessible. There will be ASL interpreters, informational materials in braille, water and relief areas for service dogs, quiet spaces for distraction-free interviews, and other accommodations available.

Employment Type	Full-Time	Experience Needed?	Yes
Job Description	Under the general supervision of a Supervisor I, the Analyst I, serves in a customer service environment for HQ Project Delivery Divisions. The incumbent serves as lead for the procurement and stocking of general overhead supplies and is the paymaster for disbursement of all checks for Project Management. Acts as the Conference, Meeting, and Training Coordinator for Project Delivery and processes California Public Records Act requests. Assists with Property Control, Facilities, Procurement and Telecom. Possession of a valid driver's license required. Statement of Qualifications (SOQ) required. Please review JC to answer the SOQ questions.		
Work Environment	Please read the full JC job posting and refer to the Duty Statement.		
Compensation and Benefits	Medical, dental, vision benefits. Retirement plans. Savings Plus Program. Leave benefits and paid holidays.		

City of Elk Grove

TABLE 12

Please visit this company's table at the job fair to learn about available positions.

City of Roseville

TABLE 6

Job Title	Associate/Assistant Planner		
Location	Roseville, California		
Employment Type	Full-Time	Experience Needed?	No
Job Description	Serve as the point of entry for development proposals and provide assistance to architects, designers, developers, builders, and residents. You'll be the go-to resource for guiding applicants through the process, recommending improvements to project design, and preparing environmental documents that shape the future of our community. Your expertise will enable you to review plans, conduct site visits, issue permits, and respond to public inquiries. If you want to make a real, tangible impact every day to help shape the city's landscape, we invite you to apply and become an essential part of our planning team.		
Work Environment	Continuously sit at desk or in meetings for long periods of time; may intermittently walk or bend to observe field sites; intermittently twist to reach equipment surrounding desk; perform simple grasping and fine manipulation; use telephone, and write or use a keyboard to communicate through written means; and lift or carry weight of 10 pounds or less.

Job Description	Patient Services Representatives provide front-office and administrative support in outpatient clinics and other healthcare settings. These positions help coordinate patient access, registration, scheduling, insurance verification, medical records, referrals, and billing activities.		
Work Environment	Work is generally performed on-site in a fast-paced medical office or outpatient clinic. Employees regularly interact with patients, families, clinical staff, insurance providers, and other departments while managing frequent interruptions and competing priorities. Frequent sitting, typing, telephone work, and computer use, with occasional standing, walking, bending, reaching, and lifting or moving items weighing up to approximately 25 lbs.		
Compensation and Benefits	Representative pay range: approximately \$28.97 to \$35.93 per hour. Career positions may include medical, dental, and vision coverage; paid leave; retirement options; professional development; family-support benefits; and wellness resources.		

Job Title	Clinical Research Coordinator		
Company	UC Davis Health	Location	Sacramento, CA
Employment Type	Full-Time	Experience Needed?	No
Job Description	Clinical Research Coordinators support the planning and day-to-day administration of clinical research studies. Positions may involve coordinating research participants, maintaining study data and documentation, and supporting compliance with institutional and regulatory requirements.		
Work Environment	Frequent sitting and computer use, with occasional standing, walking, bending, reaching, and lifting or moving materials. Specific physical requirements vary by department and assignment.		
Compensation and Benefits	Representative pay range: approximately \$36.35 to \$58.45 per hour. Career positions may include medical, dental, and vision coverage; paid time off; retirement options; professional development; family-support benefits; and employee wellness resources.		

Job Title	Client Services Representative		
Company	UC Davis	Location	Davis, CA
Employment Type	Temporary	Experience Needed?	Yes
Job Description	Client Services Representatives provide administrative and customer-service support in fast-paced service or healthcare environments. These positions serve as a primary point of contact and help coordinate scheduling, records, billing, payments, and general client needs.		
Work Environment	Work may be performed in a busy, customer-facing office, hospital, or service environment. Evening, weekend, or holiday schedules may be required, and employees may rotate between different service areas. Frequent sitting, computer use, telephone work, and interaction with clients and staff. Some assignments may require standing, walking, bending, reaching, or lifting materials weighing up to approximately 25 pounds.		
Compensation and Benefits	Representative pay range: approximately \$25.45 to \$36.05 per hour. Eligibility for medical coverage, paid leave, retirement programs, and other benefits depends on the appointment type, assignment duration, and percentage of time worked.		

Job Title	Contracts and Grants Analyst		
Company	UC Davis	Location	Davis, CA
Employment Type	Full-Time	Experience Needed?	Yes
Job Description	Contracts and Grants Analysts provide financial and administrative support for externally funded programs and research projects. Positions may support proposal development, award administration, budget analysis, financial forecasting, reporting, and compliance.		
Work Environment	Work is generally performed in an administrative office or hybrid setting. Positions require sustained attention, independent analysis, frequent computer use, and collaboration with faculty, staff, sponsors, and administrative partners. Frequent sitting, keyboard use, and repetitive computer work, with occasional standing, walking, bending, reaching, and lifting materials weighing up to approximately 25 pounds.		
Compensation and Benefits	Representative pay range: approximately \$73,080 to \$130,410 annually. Career positions may include medical, dental, and vision coverage; paid holidays and leave; retirement options; professional development; family-support benefits; and wellness resources.
